

Product data sheet

Wash gloves, airlaid w/PE, art. no. 491914

Description:

Disposable wash gloves, airlaid w/PE, colour white
Airlaid 55 g/m² and PE 17 g/m²
New cellulose fibers

Produced for Abena A/S, DK under ISO 9001:2008

Application:

Wash gloves for personal hygiene in airlaid material. Airlaid is especially soft and therefore very suitable for patient cleansing. The material is air-treated for extra softness and absorbency and features a higher wet strength compared to traditional paper. Due to the pocket shape, the glove stays well on the hand while in use.

Packaging:

Inner packaging: PE-foil Transport carton: Cardboard

Storage, durability and waste management:

Storage: store dry and keep away from direct sunlight

Durability unopened: 5 years

Waste management: PE is combusted or recycled. Cardboard is combusted or recycled
